

Laws for Life
Joshua 20
August 25th, 2019

We seek to reform the laws of our land in accordance
with God's value for life.

3 Components:

1. We provide a safe system of fair judgment (vv. 1-4).
2. We match the crime with sufficient punishment (vv. 5-6).
3. We aim not to restrict involvement (vv. 7-9).
