

Powerful Prayers

Acts 4:23-31

March 17th, 2024

When facing earthly opposition respond with prayers of petition!

4: Principles:

1. We pray to a God who is sovereign over all creation (v. 24).
2. God's plan of salvation involves man's opposition (vv. 25-28).
3. We can petition Him for His help to face the current situation (vv. 29-30).
4. He can powerfully enable us to ensure the work's continuation (v. 31).
