

Great Praise

December 22nd, 2024

Luke 1:46-56

The great things God has done in Christ
should cause great praise to erupt from us!

2 Stanzas:

1. Praise Him for the great things He has done for us personally (vv.46-50).
2. Praise Him for the great things He has done for people globally (vv.51-56).
