

Anchor for the Storm

Acts 27

July 13th, 2025

4 Aspects:

1. Some storms are avoidable (vv. 1-12).
2. Storms can cause us to gradually lose hope (vv. 13-20).

Holding fast to God's promises keeps us anchored through the storm.

3. We can be an encouraging witness during it (vv. 21-38).
4. God has the power to deliver us safely through it (vv. 39-44).
