

Righteous Wrath

Romans 1:18-23

February 1st, 2026

God's righteous indignation is against man's unrighteous suppression.

3 Stages:

1. They have all the evidence which gives them no excuse (v. 20).
2. They fail to give Him glory further corrupting their mentality (v. 21).
3. Thinking they are wise they make a foolish exchange (vv. 22-23).
